Memorandum

We, representatives of astronomical institutions in Bulgaria, Greece, FYR of Macedonia, Romania, Ukraine and Yugoslavia, gathered between 25 and 29 September, 2000, at the Balkan Meeting of Young Astronomers, Belogradchik (Bulgaria), after joint discussion held at the meeting, came to the following proposals concerning the astronomical cooperation of the countries in the region:

1. To create web-page containing all information for the meeting.
2. To create a working group which has to prepare a list of all multilateral scientific projects and help any further work on them. The group is chaired by Dr. Magda Stavinschi with members: Boris Zhilyaev, Milan Dimitrijevic, Michael Kontadakis, Mijat Mijatovic, Milcho Tsvetkov.
3. To help for the organization of an IAU International school for young astronomers (ISYA) in Ohrid (FYR of Macedonia).
4. To organize next meeting of the astronomers of the region.

Dr. Milcho Tsvetkov (Bulgaria):

Dr. Valery Golev (Bulgaria):

Prof. Dr. Michael Contadakis (Greece):

Prof. Dr. Mijat Mijatovic (FUR of Macedonia):

Dr. Magda Stavinschi (Romania):

Dr. Boris Zhilyaev (Ukraine):

Dr. Milan Dimitrijevic (Yugoslavia):

These proposals are open for future discussion and development from interested parts.

Belogradchik
